

# Free Christmas Meal for Kearney

Christmas day 11a - 1p Hot Meals USA is providing a free meal to anyone in need either by pickup or delivery. We will be serving out of Mom and Dads BBQ (222 W. 42nd Street, Kearney) where meals can be picked up. There will also be some seating available for those who wish to share a meal and fellowship. This Christmas Day lunch will also be delivered to healthcare workers, nursing home staff, first responders etc. who are working to serve our community on Christmas day.

There will be no charge for the meal. Anyone who needs a meal or would just like a meal they don't have to cook is welcome to request delivery or come and get it. Everyone is invited. Free will donations will be accepted.

Help is needed. We need volunteers to help prepare, serve and deliver - Christmas Eve from 1-4 pm and Christmas Day from 7 am-3 pm. We would like people to sign up ahead of time on our Signup Genius page, or they can call Richard Cochran at (308) 440-7836. Links and information also at [www.hotmealsusa.org](http://www.hotmealsusa.org) and on the Hot Meals USA Facebook page.

Donations are also needed to help make this happen. Your generous donation helps to provide for others this meal on Christmas.

Menu: Sugar-cured ham, mashed potatoes, corn, roll, and a dessert

**To request that meals be delivered, call the Jubilee Center at (308) 234-3880.**

Hot Meals USA wants to say thank you in advance for all those who donate and volunteer. Also, help spread the word. If you know of someone who could use a free Christmas day meal, let them know.
